

Igor Stangliczky (Igor Štanglicki), diplomirani slikar keramičar Fakulteta Pri-mjenjenih Umetnosti u Beogradu, se ne ograničava samo na keramiku kao medij. Svoje ideje i svoj rad predstavlja kroz bilo koji medij koji mu je dostupan i pogodan za to što želi da predstavi.

Trenutno živi i radi u svom ateljeu u Beogradu. Pored mnogobrojnih umetničkih dela raznovrsnih medija radi i seriju upotrebnih predmeta od keramike koje možete naći u galerijama i giftshopovima širom zemlje i inostranstva.

Graduated at the Academy of Applied Arts in Belgrade. Expresses himself using any medium that he feels suitable for what he wants to present. Works in the fields of sound art, sculpture, painting, ceramics, etc. Lives and works in Belgrade.
